Camping Program For Area YMCA Is Announced

The camping program of the Torrance Area YMCA for summer has been enlarged to include a 10-day period at Round Meadow Camp for 150 boys, 9-15 Aug. 16 through 25; a High Sierra pack and hike trip for boys and men 15 years and over, and a three or six week camping session at Pacific Pines, starting July 8.

Round Meadow is the regular camp site utilized for boys in this area. The camp is located near Barton Flats in the San Bernardino National Forest above Redlands, at an altitude of 6800 feet.

Major equipment includes 20 cabins each having seven boys and a leader, a large dining hall, handicraft lodge and athletic equipment. A large swimming pool with heated water provides ample opportunity for teaching beginners and advanced swimming.

The High Sierra pack and hike trip is designed for older persons who enjoy a rugged camp and fishing experience.

Registrations are now being accepted at the Torrance YMCA. Ted Meier, executive and camp director, suggests those interested contact him immediately, since last year camp units were filled early.

OUT-OF-TOWN BUS LINES TAKE TORRANCE BUSINESS TO OTHER RETAIL CENTERS

Out-of-town bus lines are "knocking at the door" of Torrance inviting residents of outlying districts to travel elsewhere to do their shopping—and they are finding a ready reception.

Thus, Torrance merchants are already losing many thousands of dollars a month to shopping areas elsewhere, stand to lose greater sums as service to the borders of Torrance improves.

In one instance, it is said, Sunset Stages have expanded their service to Redondo Beach blvd., and their routes along Crenshaw blvd., Prairie ave., and Hawthorne blvd., northerly, and along Redondo Beach blvd. place the Redondo Beach, Hawthorne, Alondra and Gardena shopping areas within easy reach of North Torrance residents.

In a second instance, the Sunset company is planning to route its buses along Hawthorne blvd. to serve the El Nido district, a county territory which has a heavy population and which recently was added to Torrance City School District by the Board of Supervisors.

In a third instance, the same company is making preparations to serve newly developing home

Reservists May Qualify For Commissions

Navy enlisted men who are veterans of World War II and are now members of the Naval Reserve, may qualify for appointment to commissioned rank in the Volunteer Reserve.

This program will remain open indefinitely, and is established primarily to take care of individuals who through lack of service or of opportunity, were not eligible for advancement to commissioned rank during the war. Those who qualify will normally receive appointments in the rank of Ensign in the line of the Naval Reserve, although a higher rank may be granted in exceptional cases.

Determination of individual qualifications and the preparation of applications can be accomplished by contacting the Personnel Officer, Naval Air Station, Los Alamitos, or the nearest Office of Naval Officer Procurement.
